At Chauvin Arnoux we strive to meet your needs as efficiently as possible, so we came up with this bundle that will let you do more for less. The Earth Tester Kit is thoughtfully packed with everything you need to do the job. It includes 2 earth rods, 50 m coil of red cable, 50 m coil of blue cable, 10 m reel of green cable and 5 fork terminals. It also comes with a hammer and a soft carrying case.
